

The Australian Mystery

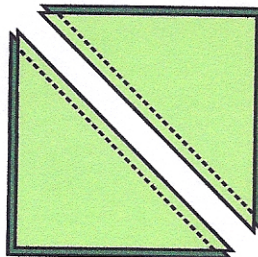

Part 2: Block Piecing—Steps 2-4

Step 2.

On the light squares, draw a diagonal line from corner to corner.

Step 3.

Pair each light square with a dark square, right sides together. Sew a scant $1/4$ " on either side of the drawn line. Cut apart on the drawn line.

Press half of the squares toward the dark fabric and half toward the light fabric.

Step 4.

Make five stacks of half-square triangles, one for each color.
